## From The Diocesan Bishop...

The Carmel Mar Thoma Center, Atlanta, a dream fulfilled by the Diocese of North America and Europe, visualizes its new phase of development, with a Convention center, to conduct conferences and retreats, to impart theological learning and refresher courses to laity and clergy. It also envisages retirement homes for the senior members, and to use the facility for the worship of the local Mar Thoma community. This facility will also add to the Mission advancement of the Diocese and will be an expression of the church's commitment to the wellbeing of the wider community.

The official Inauguration of the 'Carmel Mar Thoma Center' will be held on December 29<sup>th</sup>, 2018 along with the Diocesan Convention. Kindly Plan, prepare and participate in all the programs.

Wish all our members and well wishers a happy Christmas and a blessed New Year!

Let Peace and Goodwill be with us all,

**Rt. Rev. Dr. Isaac Mar Philoxenos**
